March 15, 2016

Dear Community Group Participant,

This will be KidFest's 26<sup>th</sup> annual event and we are currently planning another successful event. The festival is scheduled for Sunday, August 12<sup>th</sup>, 2018 from 10am – 3pm on the field beside the Beach Volleyball Courts and Skateboard Park, at the Parksville Community Park.

KidFest would not take place without the participation and support of organizations such as yours. The festival is designed to offer children the opportunity to experience a wide variety of exciting free activities. Last year's event was very successful with over 5000 people attending. KidFest is a wonderful marketing opportunity for organizations such as yours at very little cost.

Community Booth participants are asked to contribute by providing an interactive experience or small give-away item. There is no fee to participate in KidFest; however, the participating organization will need to supply a tent and table for the day of the event and bring and necessary supplies for your activity. Please note: we DO NOT allow community booths to charge a fee or ask for donations from the visiting KidFest guests.

Included is a contract for you to complete and return as soon as possible to ensure your organizations place in KidFest. The contract supplies us with information about your program, including a description of the activity or item you will be providing for the children.

Thank you for your interest and support in KidFest. If you have any questions you can email me at [info@kidfest.ca](mailto:info@kidfest.ca).

Sincerely,

Robyn Holt  
KidFest Community Booth Coordinator
