Dear Potential Food Vendor Participant,

Thank you for taking the time to consider attending the 26th annual event KidFest, in the Parksville Community Park. Usually over 4000 people attend KidFest each year. This year's event: **Sunday, August 12th, 2018 from 10-3pm.**

Be aware that we are on a public beach and power is extremely limited. The only power we can provide is 120v-15 amp circuits. We do not provide extension cords. In order to ensure uninterrupted electrical service we encourage you to bring your own generator. Water is also available and we suggest you bring your own hose.

Two forms are included:

- 1) A **Vendor Application** form which provides relevant information regarding the provision of the concession services at *KidFest*.
- 2) An **Electrical/Water Requirement Application** form, should you require either.

If you are interested in providing concession services at KidFest, please return the completed items listed below:

- application form
- if necessary the electrical/water requirement application form
- the Non-Refundable Vendor fee **\$150** (made payable to KidFest)
- copies of - your health permit, food safe certificate and liability insurance

These items must be received **by JULY 1st** in order to participate in KidFest 2018. **We suggest submitting payment and signed contract ASAP to ensure your space is reserved. All other paperwork can be submitted by the deadline above.** Advertising of your business will take place once payment is received.

We understand that there are other events occurring the same weekend as ours and encourage you to choose KidFest, as many of our past food vendors have sold more at KidFest than at the Canada Day Celebrations here in Parksville. Also, we strive to keep the vendor fee at a reasonable rate and limit the duplication of food sold (first come first served basis) to ensure vendors earn as much as possible.

Questions: contact me 250-951-3823 or info@kidfest.ca. I look forward to hearing from you.

Regards,

Cheryl Cote
